PER L'UNESCO

ITALIAN YOUTH FORUM TORINO 2023

15th APRIL

WORKSHOP

14:30 | 17:30

Mercato Centrale Torino

Piazza della Repubblica, 25

WORKSHOP 1

CITIES AND MEMORY PASSING ON THE FUTURE

coordinators

Giulio Del Giudice | AIGU National Coordinator

Francesca Villa | AIGU Lombardy Regional Representative

Susanna Clemente | AIGU Lazio

speakers

Costanza Ferrarini | Focal Point Como - Creative City Crafts and Folk Art

Silvia Sitton | Focal Point Modena Città Creativa UNESCO Media Arts

Maria Paola Azzario | Presidente Club per l'UNESCO Torino

Oliviero Ponte Di Pino | Direttore Operativo BookCity Milano

Michele Fontefrancesco | Assistant Professor of Cultural Anthropology
UNISG of Pollenzo

DESCRIPTION

Reflect on the identity of cities as places of creativity, places that convey tradition and innovation, characteristics that territories are called to communicate and pass on to present and future generations. Knowing how to identify and recognize the creative value of cities and the ability to tell, understand and pass on this value.

Geographical representativeness of the UNESCO Creative Cities programme, on the gap in Northern, Central and Southern Italy and on the ability of cities and territories to communicate their creative excellence.

14:30 | 17:30

Sala Conferenze Copernico

corso Valdocco 2

WORKSHOP 2

CITIES AND DESIRE DREAMING THE FUTURE THROUGH TECHNOLOGICAL INNOVATION

coordinators

Silvio Rossini | AIGU National Coordinator

Federico Porcedda | AIGU Sardinia Regional Representative

Ilaria Potenza | AIGU Puglia Regional Representative

speakers

Antonio Candela | CEO Comincenter and CEO Universosud

Barbara Caputo | Professor at Politecnico di Torino - Department of Control and Computer Engineering

Alberto Lazzaro | President Gruppo Giovani Imprenditori Unione Industriali Torino

Claudia Pescitelli | CTE Turin House of Emerging Technologies

DG Connect - European Commission

DESCRIPTION

Reflecting on technological innovation, its creative power, for the development of the territories and creative cities we would like. The scientific focus does not exclude the artistic and social sector, demonstrating how innovation can be transversal, for the development of our territories, the improvement of welfare, the well-being of people and the creation of more sustainable, lively and welcoming cities.

14:30 | 17:30

Sala Atlas presso Combo Torino

Via Giovanni Giolitti, 48

WORKSHOP 3

CITIES AND SIGNS

URBAN REGENERATION IN CREATIVE ECOSYSTEMS

coordinators

Pietro Bova | AIGU National Coordinator

Stefania Dubla | AIGU Basilicata

Francesca Fecoli | AIGU Emilia Romagna

speakers

Daniela Cattaneo | Founding Partner and Vice President of BASE Milan

Sandra Ennas | Manager of Innovation Sardegna Ricerche

Carla Zuddas | Researcher of Sardegna Ricerche

Alessandro Iemulo | Torino Creative City

Simona Guandalini | Member Quinta Tinta Teatro - Casa del quartiere Cecchi Point

DESCRIPTION

Reflect on creativity as a strategic element for sustainable urban development. Good practices will be illustrated here on how creativity has created new conditions and opportunities for youth employment and new professions. Taking the guests' good practices as a model, the workshop aims to provide a contribution to a regeneration process (in creative ecosystems) in the city of Turin. In the co-vision work, AI-based imaging tools will be used to facilitate and implement the participatory process.

15:00 | 17:30

Sermig – Arsenale della Pace

Piazza Borgo Dora, 61

WORKSHOP 4 **CITIES AND EXCHANGES THE COMMUNITIES AND NETWORKS OF THE FUTURE**

coordinator

Rachele Renno | AIGU National Coordinator

Valentino Piccolo | AIGU National Coordinator

Camilla Donà Dalle Rose | AIGU Lazio

speakers

Mirwais Wafa | Chairman of UNESCO Global Youth Community

Giulia Tariello | UN Youth Delegates Italy

Gabriele Colella | UN Youth Delegates Italy

Marco Sicbaldi | of the Department of Youth Policy

Tommaso Vespa | Ambassador of the Department of Youth Policy

Emanuela Gasca | Curie Institute Pinerolo

DESCRIPTION

In the first part of the session, the speakers will explain how their activities had a positive impact on young people and their communities. Then, participants will be divided into small groups to work on the definition of global citizenship: who is a global citizen? What can we do to improve the communities? etc. The aim of this session is to define a "global citizen passport".
